Matthew "Bash", Robles won the game with 15 points and 15 assists. Dayvon "GOOFY757" Curry and Marquis "Randomz", Gill both scored 16 points. Sherm was the winner, scoring 20 points. The Ribgy team scored 18 points, and PeteBeBallin scored 13. Rashann "Scretty" Petty scored 22 points to lead Blazer5 the second game. Sherm was followed by Bash with 14 points and GOOFY757 scoring 10 points and 15 rebounds.

Heat Check Gaming was defeated by the Hornets, winning 81-47 and 75-63. Blazer5 made it to the finals after defeating Wizards District Gaming 72-67 and 74-67. Ribgy was awarded MVP honors because he scored an average of 24.5 points in the finals, 25.5 points in the semifinals and 21.3 points over the nine games played in the tournament.

The NBA 2K simulated postseason set its finals: Bucks vs. Lakers. While the possibility of completing the 2019-2020 NBA season isn't certain, NBA 2K has begun simulation of the outcome. The 2K Sim playoffs have wrapped up their conference championships and is now ready to "play" the final round.

In their simulation semifinals, the Milwaukee Bucks survived as Eastern Conference champions, defeating the Boston Celtics four games to two. In the west it came down to a match between LA teams as the online Lakers beat the virtual Clippers 4-1.

2K will announce the results of the simulation final round on 15th. They also requested quotes from players on the respective teams, which was not difficult, considering they were featured on the cover of the game for the past two years.
