### Are Old-Fashioned Ventures Like Cabinetry, Metalsmithing Possible?

*Entrepreneurs are fueled by a desire to do something worthwhile but one that also provides income. Nowadays, old-school vocational jobs are making a comeback, as consumers are increasingly looking for products different from factory-produced lookalikes, and they are willing to pay a premium. This trend has prompted some entrepreneurs to turn their attention to cabinet making, carpentry, metalsmithing, ironwork, landscaping and the like. If you have an interest in an artisan venture, you'll surely find takers in a world where many people are looking for something special and made by hand. While artisan businesses inherently differ based on the specific goods they create, they all share a few factors that must be considered before diving in.*
