Volterax wins Madden NFL 20 club championship with \$ 100,000 grand prize

Players won the grand prize in Madden NFL 20. No matter who they are, I think all players will celebrate together. Of course, if you want to win the game, accumulating MUT Coins is a must. Volterax scored Drini 28-13 in the Madden 20 Club Championship final and collected a \$ 100,000 championship prize on Friday.

Volterax represents the Arizona Cardinals, relying primarily on running games and three-time professional bowler Chris Johnson, which gave him control in the second half.

When Volterax scored 44 yards at the end of the first half, Drini didn't leave the controller and walked away completely, which is commendable.

Volterax, using Johnson, initially ran to the right, stopped, took a few steps to the right, then turned to the left to find the end area. After Johnson crossed the goal line, Drini shook his head. By limiting the quarter to less than five minutes, Volterax can save a lot of time. Instead, he seams with Johnson again and hits the salary dirt in the 53-yard long run, effectively sealing the victory.

In order to celebrate the arrival of Christmas, we gamems also have to act as Santa Clauses, as well as give players blessings and surprises. Whether you are a new user or an old user, when you come to the GameMS website to Buy Madden Coins, you will be surprised how much we love our fans.
